Competitor Eligibility and Fees

- Everyone who wishes to compete in an NMLRA Territorial is eligible. All competitors will be eligible for all awards at a Territorial to include the Top Gun Award for that Territorial and for overall Champion of the Year.
- Registration fee for MEMBERS of NMLRA, NRA, NSSA, or SASS is \$10.00, and each Aggregate fee is \$10.00.
 - **All members of above associations must show a valid membership card at time of Registration.**
- Registration fee for NON-MEMBERS is \$14.00 and each Aggregate fee is \$14.00
- Registration fee for Sub-Juniors (under age 12), Juniors (under age 15), & Intermediate (under age 21) competitors is \$1.00, and each Aggregate fee shall be free.
- NMLRA Membership may be purchased at time of Registration. The purchase will extend the competitor's current membership or effect a new membership.

Awards

- Aggregate awards will be: First place – gold medal, Second place – silver medal, Third place – bronze medal. Fourth and Fifth place Aggregate medals will be given for Sub-Junior, Junior, and Intermediate Aggregates.
- Individual match awards will also be awarded in all matches.
- TOP GUN Award
- All registered competitors are eligible for all awards including Top Gun

General Match Procedures

- Competitors must enter Aggregates only. Individual matches may not be entered.
- Each target must contain the Agg number, the Match number, and the date issued written by the person issuing the targets.
- All targets must be shot on the day the target is dated. If purchased dated targets are not shot by the end of the day and held over to the next day, the targets must be updated with the new date by the person issuing targets before the target is shot. Targets turned in with the incorrect date on them will be disqualified.
- All shot targets must be turned in to the Range Officer after each relay (30 minutes) except any bench and musket matches, which are allowed two consecutive relays. (OSMLC Rule)
- Each match must be fired separately. One target cannot be scored and entered in two or more matches or Aggregates.
- All targets are to be fired as issued—no aiming spots, dots, etc.
- The muzzle of all firearms must be pointed up or down range between shots.
- NMLRA Rules are in effect for all shooting and scoring.

PRIMITIVE CHAMPIONSHIP (Aggregate: Ter L)

The matches of this Aggregate are designed to prove baseline skills in primitive competition. Distances are unknown to competitors. Sighters are not usually fired, and no spotting scopes are allowed. Sights should be as described in the *NMLRA Range Rules and Regulations* under the rules for the Primitive Range. Loading is to be from the pouch and horn/flask. All matches may be fired using flint or percussion ignition. While period costume or clothing is recommended, it is not required.

Match L39 – Free Trapper

- Target is standard 6 bull 50 yd, 7 ring black target. Range is from 45 – 60 yards. One sighting shot permitted, five shots for record, one per bull, each shot to be fired from a different position: offhand, kneeling, sitting, prone, and cross stick. Maximum score is 50 points.

Match L40 – Hawken

- Target is Single bull 100 yd, 7 ring black target. Range is approximately 130 yards. Minimum caliber is .45. Five shots for record, no sighters or spotting. Three shots are to be fired from a “chunk log” or cross sticks – to be determined before the match and same used by all competitors. Two shots are to be fired from offhand position. Maximum score is 50 points.

Match L42 – Mountain Man (Match to be held at 5:00 pm on Saturday)

Maximum score for this match is 100 points, based on 6 shots, knife and tomahawk throws, and fire-making. Ties are broken based on the fire-making time.

- Part 1 – Split Ball on an Ax. Use a double bit axe embedded in end of log, with clay pigeons supported by nails on each side of axe head. Range should be 15 to 25 yards. One shot, both clay pigeons must be hit and broken in order to score. Scoring value is ten points.
- Part 2 – Cut Playing Card. Use playing card supported in such a manner that only the edge is presented as a target. Range should be about 20 yards. One shot, card must be cut cleanly into two pieces to score. Scoring value is 10 points.
- Part 3 – Cut Crossed Strings. Secure two strings in a frame a minimum of 12 inches square, in such a manner that a cross is presented as a target. Range should be about 25 yards. With one shot, both strings must be severed in order to score. Scoring value is 10 points.
- Part 4 – Tomahawk Throw. Secure a playing card to the end of a log. Three throws at playing card for score. One complete turn of the tomahawk is required. Cutting card scores 5 points. Sticking tomahawk scores 1 point, bonus for three sticks without ever cutting card scores 1 point. Maximum scoring value is 15 points.
- Part 5 – Knife Throw. Secure a playing card to the end of a log. Three throws at playing card for score. One complete turn of the knife is required. Cutting card scores 5 points. Sticking knife scores 1 point. Bonus for three sticks without ever cutting card scores 1 point. Maximum scoring value is 15 points.
- Part 6 – Gongs. Three gongs set at match coordinator's discretion. 10 points per gong. Maximum scoring value is 30 points.
- Part 7 – Fire-making. Using flint, steel, and traditional form of tinder, the competitor makes a fire. The score is determined by the time elapsed from the first strike of flint and steel until an open flame is seen. A stopwatch is required for timing. Maximum scoring value is 10 points.

Scoring value: 0 to 5 seconds - 10 points
 6 to 10 seconds - 9 points

Black Powder Cartridge Guidelines

The following guidelines should be used in conjunction with the Black Powder Cartridge Aggregate V being shot in the Territorial Matches.

Black Powder Cartridge Rifle – A hunting or military style rifle, single shot, originally made for black powder cartridges, of United States manufacture prior to 1896 and being typical of the era. Replicas thereof, regardless of origin of manufacture, are permitted. Hammer must be exposed. If replacement barrels, stocks, or other parts are used, they must be as original. No Schuetzen-style rifles permitted. One rifle will be used during all phases of the match. Examples of permissible rifles are: Ballard, Buck, Bullard, Cole, Farrow, Maynard, Peabody, Redfield, Remington Hepburn, Remington Rolling Block, Sharps, Springfield Trapdoor, Stevens Tip-up, Stevens No. 44, Wesson Falling Block, Wesson (hinged barrel), Whitney Phoenix, Whitney Rolling Block, Winchester 1885, and Wolffian. While the following single shot actions may not conform to the exact criteria, they are allowed because they conform to the spirit of the competition in form and function. Browning Model 1878, Browning Model 1885, C. Sharps '75, Falling Block Works, Stevens 44 ½ and Wickliffe '76. Replicas other than exact reproductions of pre-1896 Black Powder actions as described above and shooting equipment as described herein, may be approved by the Match Director.

a. Maximum weight 14 pounds

b. Period correct scopes are allowed. Vernier ladder style sights are allowed. No modern or Olympic-type sights permitted.

c. Trigger typical to the rifle and not subject to accidental discharge.

d. Cartridges will be of the American black powder era. Originally black powder loaded, manufactured prior to 1896, and originally chambered in American-manufactured rifles, taking into account normal variations in types of brass and primers, as well as bore sizes, rifling styles, twist and chamber dimensions. Limited use and special chambering (wildcats) are not acceptable, Cartridges must be loaded with black powder or approved black powder substitute only. No smokeless powder in any quantity may be used. Match officials, at their discretion, may select one or more loaded cartridges at random, pull bullet, and check contents. Competitors will furnish their own ammunition.

e. Cast or swaged lead or lead alloy projectiles only; no jacketed or gas checked bullets. Paper patching permitted. Breech seating is permitted but no addition time will be allowed.

f. Stock: Forearm must be attached and shall be of traditional design not to exceed 2 inches in width, cannot extend below the line of the bottom of the receiver or base of trigger guard, and no attachments will be allowed on the forearm. Measured from the centerline of the bore, the drop at the heel shall not exceed 2 ¾ inches; drop at toe shall not exceed 8 inches. No portion of the rifle stock behind the rifle action shall be higher than ¾ inch below the centerline of the bore. The butt shall not be longer than 5 ¼ inches top to bottom. Cheek pieces are permitted, but no roll over. Pistol grips are permissible, but no flared or hand-contoured styles. Crescent-style butt plates are permissible but cannot be over 1 1/8 inch deep when measured from a straight line from points of the butt plate. Commercial recoil pads are permissible. Stocks and forearms must be made of natural wood and must be in keeping with designs of stocks of the era.

g. No slings are permitted

h. A palm rest may not be used. A palm rest is any attachment or extension below the forearm which aids the normal hand grip and support of the rifle by the forward hand/arm.

i. An Open Bolt Indicator is required in all matches to indicate the bolt is open. When the “Cease Fire” command is given, all rifles will be unloaded, and Open Bolt Indicators will be inserted immediately. Actions will remain open.

LIGHT BENCH CHAMPIONSHIP (Aggregate: Ter W)
